Penalties and violations.

Although the law is somewhat unclear, a city may impose a civil as well as a criminal penalty fora violation of its parking ordinance. 1978 Op St Compt., File $465.

Violations should be charged under the applicable provision of the V & T Law. Most penalties are provided in V & T Law § 1800(B). Speeding infractions are punishable according to V & T L §1180 (f).

A most useful guide in determining the appropriate violation to be charged is contained in the Model Traffic Ordinance prepared by the Traffic and Safety Division of the NYSDOT. It is also useful in drafting amendments to this Chapter.

Removal of vehicle that is delinquent on six or more parking meter violations by village police officer is within power of village board to enact by local law. Op Atty Gen., Sept. 21, 1977.
